

Luxury Range

(letterpress, foil stamping, custom embossing)

Tier 1: ONE of the above processes

A step up from the purely digital - anyone who knows anything about stationery will appreciate the difference! All of these processes add a level of sophistication and a high-end aesthetic.

Tier 1 of our Luxury Range brings in one of the following specialist processes:

- 1-colour letterpress
- Digital print* + foil stamped highlights (or full foil)
- Digital print* + blind embossing (raised) or debossing (pressed in)

PRICES BELOW ARE VALID UNTIL 31 DECEMBER 2024

Prices for 20-100 invitations (5x7" size/standard postage)

^{*}The digital printing element allows for variable data - personalising with your guests' names. You can also have a die-cut shape, coloured card, double-thick card, coloured envelopes, and even a pocket-fold in any colour to enclose your invitation and details card.

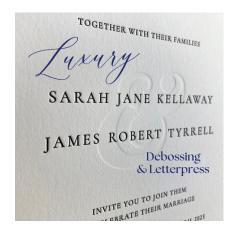

Luxury Range

(letterpress, foil stamping, custom embossing)

Tier 2: ANY COMBINATION of the above processes

The ultimate sophistication - make even more of an impact by having 2 (or even **all 3**) of these luxury inclusions. Eye-catching and tactile, these are the invitations that really impress, and they immediately set the tone for your opulent, glamorous, absolutely unforgettable wedding.

Tier 2 of our Luxury Range allows you to combine 2 or more specialist processes:

- 2-colour letterpress
- Letterpress text + foil stamped highlights
- Letterpress text + blind embossed (raised) or debossed (pressed in) names or graphic
- Letterpress text + foil stamped names + embossed detail

You can also have a die-cut shape, coloured card, double-thick card, coloured envelopes, and even a pocket-fold in any colour to enclose your invitation and details card.
